GRANT REQUEST FORM - INTRODUCTION

The second page of this document is the form that needs to be completed to request grant funding from the Greendale Lions Club and Foundation. Requests shall be completed by the organization/person asking for our support. If preferred, requests containing all or some of the information on this form may be presented on organization letterhead. We do ask that a budget or statement of cost estimates be included with the form. Feel free to attach additional information to support your application. **The completed form can be mailed or emailed to the Greendale Lions Club at the above email address.**

The Greendale Lions Club's motto is "We Serve". We volunteer and raise money to support our local, state, national, and international community. We look to serve these communities through service and grants. We focus on local needs and culture, as well as vision, diabetes, childhood cancer, youth opportunities, individual assistance, and more. Please visit our [web page](#) to learn more about us, and support our efforts when you see us!

Please understand that grant requests are reviewed and approved by both the Lions Club Board, and the Lions Foundation Board, which will typically require 1 - 3 months to process.
